Discussion: *Committee Updates*

The mayor will assign the new committee replacements and will bring this information to the next meeting.

Pat wanted to state that he is excited about this new board and thinks that they will be able to accomplish many things.

Public Comment:

Chris Timmermann advised that there were 214 Side-by-Side permits issued this past year and each town will receive \$2,140.00.

Matt advised that with he and Susie not being a part of the board, someone else will need to be a part of the SIMPAC committee to represent the Village.

Pat wanted to thank Karen for her years of service to the community.

Andrew and Rachel Wilfong were present representing the fire department. The fire department is willing to pay to add extra power to the southeast side of the park as well as add extra lighting on one of the poles on the east side. They are seeking permission to do so from the Village. They were advised to go ahead and get quotes and once they have them, a special meeting can be held to make the approval.

Molly Kious asked if the meetings could be live-streamed and spoke about her concerns of a member on the board having too much access to funds.

Carol Heilig wanted to ask about the status of the Problematic Property.

Meeting adjourned at 7:29 p.m.
